Would the morning of the 31st be good? Around 10am or 11 am? [Ex. 6 - Personal Privacy] any preference?

Thanks for the offer and agree. We would be interested in discussing next steps etc. If March 31 is still open that would work for my schedule

Bill

I was wondering if it would be of interest, useful, to begin discussing the next steps in following up to the spill situation in WV. My schedule is tight for the next two weeks, but have availability on March 31 and April 1.
